This Certificate of Analysis represents the results of the test item as received by the laboratory and relates only to the sample tested. The sampling stage was performed by the client.Results are not blank corrected unless noted within the report. The reported result is based on the sample weight. Unless otherwise stated, results of tests performed on all quality control samples met criteria for acceptance established by FINA Analytics. Fina Analytics makes no claim as to the efficacy, safety or other risks associated with detected or non-detected amounts of substances reported herein. Not all potential or existing hazards were tested. This Certificate shall not be reproduced except in full without written approval of FINA Analytics. Validated testing methodologies with an ISO IEC 17025:2017 accredited quality system was used when an (*) is present on the Certificate of Analysis.

This product has been tested by Adams Independent Testing using valid testing methods. Values reported apply only to the product testing and only as the sample was received. Adams Independent Testing makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected level of any compounds reported herein. This Certificate shall not be reported except in full, without the written approval and Adams Independent Testing. Test results that are Pass/Fail are reported using the OCM MN Technical Authority v2.0 07/01/2026. Results above the Limit will be considered Fail and will be in red. This is for informational purposes only and can be changed upon request. Measurement Uncertainty is not used for Pass/Fail conditions, but available upon request. Another disclaimer about not all potential/existing hazards were tested.
MN OCM Pass/Fail determinations are reported in accordance with Minnesota Office of Cannabis Management (OCM) Technical Authority v2.0. Results exceeding applicable regulatory limits are reported as Fail and are indicated in red.

Location of Analysis: 2224 26th st S Moorhead, MN 56560

This product has been tested by Adams Independent Testing using valid testing methods. Values reported apply only to the product testing and only as the sample was received. Adams Independent Testing makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected level of any compounds reported herein. This Certificate shall not be reported except in full, without the written approval and Adams Independent Testing. Test results that are Pass/Fail are reported using the OCM MN Technical Authority v2.0 07/01/2026. Results above the Limit will be considered Fail and will be in red. This is for informational purposes only and can be changed upon request. Measurement Uncertainty is not used for Pass/Fail conditions, but available upon request. Another disclaimer about not all potential/existing hazards were tested.
MN OCM Pass/Fail determinations are reported in accordance with Minnesota Office of Cannabis Management (OCM) Technical Authority v2.0. Results exceeding applicable regulatory limits are reported as Fail and are indicated in red.

Brad Towey, PH.D. | Principal Scientist
